Hi all,

It's that time again when Keep Britain Tidy run the UK's People's Choice Award to find the UK's favourite green space. So why not get your visitors/volunteers and friends to vote for the green space you manage and love. We usually get a Welsh park in the top 10 – so get involved! Voting starts on 1 Sept so you have 10 days to get thinking about how you can spread the word and get the message out for people to vote for your site. I am on leave from today until the 16 Sept so if you have queries about this please contact Alaw Ceris or Alex Makovics cc'ed into this email.

Here's the information you need –

The Green Flag Award Scheme is asking the nation to have its say and decide which parks and green spaces should receive the People's Choice Award for being the UK's favourites.

Whether you enjoy visiting a park or green space to play football, walk the dog, exercise or simply get away from the hustle and bustle, if you think your favourite deserves to be in the top 10 People's Choice then cast your vote.

All you have to do is go to Keep Britain Tidy's website - www.greenflagaward.org/award-winners/ and find your favourite green space on the map and click the voting button. Once you've registered your vote, why not encourage others to get involved too through social media using the hashtag #PeoplesChoice

Voting opens 1 September and closes 30 September, with the top 10 sites being announced on or around 16 October.

Thanks all, and good luck

Lucy
