Welsh Government would greatly appreciate your help in completing this very short survey by the end of January 2019

<https://www.surveymonkey.co.uk/r/RDPC8ZD>

The Welsh Government proposes to develop a package of resources for Community and Town Councils to increase their awareness and help increase their use of Welsh. The package will include practical resources and support in the most appropriate format whether that is online, in hard copy or delivered in other ways to assist individual Councils to increase their use of Welsh.

Cofion/Regards
