Dear Clerk

The Auditor General recently published two national reports related to community and town councils.

[Financial Management and Governance – Town and Community Councils 2017-18](#) sets out the Auditor General's overall conclusions from his audit work.

[Internal Audit Arrangements at Town and Community Councils in Wales](#) reports on the Auditor General's study on internal audit functions in the sector.

Both reports identify that community and town councils need to make improvements to their arrangements.

All councils can learn lessons from the issues reported and therefore we are sending copies to every council in Wales.

I would be grateful if you could circulate copies of the reports to your members for discussion at an appropriate council meeting.

Kind regards

Deryck Evans
