

Environment (Wales) Act 2016 Part 1 – Section 6
The Biodiversity and Resilience of Ecosystems Duty

Bodfari CC

Other Introduction and Context

Bodfari CC provide a range of services to its local community few of which have an impact on biodiversity. These include:

- Grass cutting.
- The maintenance of the Hanna Jane Smith Park in Bodfari.

We promote sustainability and biodiversity by pursuing sustainability goals and sustainable practices whenever possible.

We serve approximately 1000 residents. The budget for 2022-2023 is £8,000

The Council owns no land or property which limits how we can influence biodiversity within our area. We do not own any vehicles.

Action Report

ACTION		Reviewed	
Grass Cutting	This is done following advice from Denbighshire’s Diversity Officers to maximize the number of plant and insect species.in the sward	Council	
Maintenance of park.	Regular cutting of grass as well as pruning of trees and shrubs. Proposal to place bird and bat boxes in trees	Council	

Review of s6 duty

What has worked well?

The park maintenance regime has been a success, especially as it has proved popular with residents residents in addition to helping biodiversity.

How and when will the s6 duty be monitored and the s6 plan reviewed?

The duty will be monitored by the Council members and the Clerk and reported back to the council on the success or otherwise of the actions taken through the usual weekly, monthly and annual inspections.

The s6 plan will be reviewed in light of these reports and any other evidence or information that is made available to the Council. At the time of this report's publication, there is no specific time or date set for the plan to be reviewed, but this will be done within the next six months.
